Keeping in touch

Please sign me up to Young Vic e-news

This includes emails about priority booking, production announcements, special offers and other activities from the Young Vic. (If you don't tick this we can't let you know about priority booking...)

I want to hear from the Young Vic via email about how I can support the theatre in the future

This includes supporting our work in our neighbourhood and developing emerging artists, plus how you can help secure the future of the Young Vic and the productions you see on our stages.

Please create an online login for me on the Young Vic's ticketing site

This will allow you to book tickets online during Priority Booking, when our Box Office lines are at their busiest. Once your login is set up, we will send you an email with instructions on how to set your password.

What happens next

Once we get your form back, we'll set up your membership as soon as possible – usually the next working day. You'll receive a confirmation email letting you know your membership is active, as well as an email about your online login if you've asked us to set one up. Then all you need to do is sit back and relax: we'll be in touch with your e-news and priority booking information when new shows go on sale, plus anything else that comes with your membership.

Data protection at the Young Vic

We are committed to ensuring you understand the control you have over the personal information you share with the Young Vic. To set up your membership, we will add the information you share with us to our database. This enables us to manage your membership, including contacting you and administering your benefits. You can update your communication preferences online or by giving us a call at any time.

For more information on how we protect your data and how you can control it, please refer to our privacy policy: www.youngvic.org/privacy-policy

Please return this form to
friends@youngvic.org or by
post to **Friends, Young Vic, 66
